Secure residence halls
A student ID card is required to enter the perimeter of all ASU residence halls, and residents must meet guests at the front desk and escort them at all times. Front desks are staffed 24 hours a day to provide help and support.

ASU Alert System
Through text messages or emails, you can be instantly alerted to situations — both urgent and non-emergency — on or near campus.

Emergency call boxes
Located throughout all ASU campuses and parking structures, emergency call boxes are marked with a bright blue light and connect directly to the ASU Police Department.

LiveSafe app
Download this mobile app to your phone and use it to send ASU Police real-time anonymous tips, call 911 or have a friend virtually walk you home.

Safety escorts
If you’re studying or working late on campus, you can request an escort to your destination and either an ASU Police officer, ASU Police aide or a specially trained student volunteer will accompany you.

ASU Police
Located on all ASU campuses, the ASU Police Department is a full-service, 24-hour campus police force. Its crime prevention unit coordinates a variety of safety training classes to ensure all students know how to avoid or react to any unsafe situation.
