ASU college partner campuses: Metro Phoenix

The Maricopa Community Colleges and Arizona State University have a long-standing partnership that has evolved throughout the years to incorporate projects, innovation and academic pathways. Maricopa is ASU's largest community college transfer student population and we consider this relationship as our **gold standard**.

Find your path to ASU

Transfer to ASU with MAPP MyPath2ASU™

MAPP MyPath2ASU™ is an efficient and affordable path to a bachelor's degree at ASU. By picking a major and identifying your transfer institution, MAPP MyPath2ASU™ helps to identify what courses you should take at your transfer institution for your ASU major. Save time and money, and minimize loss of credit during your transfer journey. To sign up for your pathway from your Maricopa Community College, please visit mapp.maricopa.edu.

Get a head start with Universal Learner Courses

Through this program, a selection of first-year college courses are offered online at ASU and open to everyone. With these courses, you can test the college waters, earn college credit for a fraction of the cost and pay only if you pass the class. Courses are taught by ASU faculty and credits earned may be used toward your degree at ASU or another university.

ASU campus fit quiz

The one-size-fits-all philosophy doesn't work when picking the right college experience. We all have different interests and learning styles. ASU is made up of several campuses — each with its own identity, focus and size — as well as ASU Online, an innovative, fully online learning experience. Not sure which style is right for you? Take this quick quiz to find the ASU experience that fits you best.

asu.edu/campusfit

Downtown Phoenix

The Downtown Phoenix campus plays an essential role in the health care, journalism, public service and corporate communities. Think professional and fast-paced.

West

The West campus offers a close-knit learning community dedicated to 21st-century leadership preparation. Think small liberal arts college style.

Polytechnic

The Polytechnic campus is a thriving part of the enterprising East Valley. Think technical and innovative.

ASU@Lake Havasu

ASU@Lake Havasu, near the California state line, is ASU's western Arizona location. Living in a scenic small town with rugged mountains and a view of beautiful Lake Havasu, you'll be part of a tight-knit community where professors know you and the weekends are filled with outdoor adventures.

Tempe

The Tempe campus features high-tech research spaces in an energetic and historic environment, where you'll get to experience all the Sun Devil sporting events. Think inspiring programs and opportunities.

Office of American Indian Initiatives

The Office of American Indian Initiatives helps share ASU's New American University vision with tribal nations by building and strengthening relationships between the university and American Indian tribes. ASU continues to develop an impressive cohort of scholars engaged in American Indian cultural, social, educational, legal and economic issues. This office plays a key role in amplifying and supporting American Indian programming throughout the university to promote the success of American Indian students.

Student engagement

Cultural events

The ASU community is rich in many cultural, social and global traditions. Participate in ASU festivities, including Indigenous Culture Week, the Ms./Mr. Indigenous ASU pageant in April and Native American Heritage Month during November.

Clubs and organizations

Choose from 1,000+ student organizations across the four metro Phoenix campuses to get involved and meet other students. There are more than a dozen student organizations that specifically serve American Indian students.

American Indian Student Support Services

ASU's American Indian Student Support Services helps connect you with resources, scholarships, internships, events and more. A caring and knowledgeable staff helps you navigate campus life and provides you with the expectations, tools and resources to be successful.

- One-on-one mentoring and guidance.
- Professional and leadership development.
- Individual and group study/social spaces.
- Computer and printing access.
- Student programs and activities, such as SPIRIT Transfer to welcome new students.
- Celebrations, including American Indian Convocation.
