Steps to apply to ASU

Step
01

- Complete an undergraduate admission application.**
Submit the ASU admission application or apply with the Common Application.
asu.edu/apply | commonapp.org

Step
02

- Self-report your grades or request a transcript.**
You can either self-report your grades on your application or request a transcript from your high school. If you choose to request a transcript, you will finish your admission application faster (less than 20 minutes). If you choose to self-report your grades, you will receive your admission decision sooner.

Choose to not self-report  Quicker application process, but takes a little longer for an admission decision.

Choose to self-report  Application takes longer to complete, but admission decision comes much faster.

Step
03

- Pay the application fee.**
If your financial circumstances qualify you for an application fee waiver, you will check the appropriate box, and your application fee will automatically be waived and post to your account.

Step
04

- Activate ASURITE and check your application status.**
Check your application status and any Priority Tasks you need to complete in My ASU using your ASURITE User ID, which is sent to you after you apply for admission.
