## 2024 Applications open Apply early. Limited spots.

### 2024 Summer Programs

#### **INSPIRE**

is a no-cost, week-long college readiness program designed for Indigenous high school students from various Tribal representations. Students will develop academic, career and personal success tools through culturally relevant and project based learning while interacting with ASU's Indigenous students, staff and faculty.

#### **Eligibility**

Open to students entering grades 9th-12th in Fall 2024.

#### **Program Fee**

No program fees required.

#### **Program Dates**

June 16–June 22, 2024

#### **Apply**

#### **The César E. Chávez Leadership Institute**

is a week-long, high-energy college readiness and leadership program at Arizona State University for students entering their junior or senior year in Fall 2024. Selected students participate in workshops and activities that explore higher education, leadership development, and community engagement – all within a collaborative peer environment.

#### **Eligibility**

Open to students entering grades 11th-12th grade in Fall 2024.

#### **Program Fee**

\$50 non-refundable registration fee.

Fee is not due until accepted into the program.

#### **Program Dates**

June 16–June 20, 2024

#### **RISE Summer Leadership Institute**

is a residential college readiness program for Black and African American students entering 9th-12th grade in Fall 2024. It emphasizes college readiness, leadership development, and community engagement through workshops led by Black and African American industry leaders and educators. The program aims to enhance college attainment rates, ultimately leading to graduation and entry into various post-secondary education pathways.

#### **Eligibility**

Open to students entering grades 9th-12th grade in Fall 2024.

#### **Program Fee**

\$50 non-refundable registration fee.

Fee is not due until accepted into the program.

#### **Program Dates**

June 23–June 27, 2024

## Barrett Summer Scholars

is a week-long residential 2024 summer enrichment program designed for academically talented and motivated students entering grades 9th-12th beginning in Fall 2024. Participants engage in an honors course and an elective taught by university faculty to prepare them for enrollment and success at ASU and Barrett, the Honors College.

### Eligibility

Open to students entering grades 9th-12th in Fall 2024. Academically motivated and/or high-achieving students are encouraged to apply. While there is no minimum GPA required, eligible students should demonstrate a cumulative GPA of 2.7 or higher (except for students entering 9th grade in Fall 2024).

### Program Dates

9th grade  
Polytechnic Campus (Mesa)  
June 2–June 6, 2024

10th grade  
Downtown Campus (Phoenix)  
June 9–June 13, 2024

11th grade  
West Valley Campus (Glendale)  
July 7–July 11, 2024

12th grade  
Tempe Campus (Tempe)  
June 23–June 27, 2024

### Program Fee

\$1,000 per participant, including a \$50 non-refundable registration fee. Payment is required upon program acceptance. Need-based scholarships are offered.

## Other Opportunities

The Science and Engineering Experience (SCENE) provides cutting-edge research opportunities for 10th-12th-grade students (during the 2024/2025 Academic Year). Participants engage in hands-on work in state-of-the-art labs at Arizona State University, guided by professors and university students, to explore original research questions and participate in regional and national science competitions. SCENE offers research opportunities in various disciplines, including Bio-design, Engineering, Evolution & Medicine, Integrative Arts & Sciences, Life Sciences, Molecular Sciences, Physics, Solid State Science and Sustainable Engineering.

### Program Dates

(2024 - 2025 Academic Year)

Applications: Open May 17th, 2024,  
and close July 31st, 2024
