*General university admission is guaranteed upon successful completion of one of the following conditions:

1. An associate degree from a regionally accredited higher education institution with a minimum 2.00 cumulative GPA (Arizona residents) or 2.50 cumulative GPA (nonresidents).
2. 24 or more transferable semester credits post-high school with a minimum cumulative transfer GPA of 2.50 (4.00 = "A") and verification of high school graduation or the equivalent.

Note: Some ASU colleges and schools have additional or higher requirements for admission to their majors. Students will also need to submit an Arizona State University admission application, including an application fee and other required documents, such as official college or university transcripts.
