**Choose from three ASU degree programs:**

**Applied science (applied leadership), BAS**

If you have already earned or are earning an AAS degree, this is an ideal program to learn effective leadership skills and take the next step in your career.

**Organizational leadership, BA**

Advance your career and become a leader in your organization. Develop the skills and knowledge to manage resources, communicate effectively, use emerging technologies and lead projects.

**Organizational leadership (project management), BA**

With a concentration in project management, you’ll develop the skills and knowledge to advance in your career as a project manager or project leader. Covering many fields, organizational leadership courses prepare you for complex project oversight, organizational assessment, project leadership and more.

*Up to 15 additional hours of lower-division general studies coursework can be completed prior to transferring to ASU. Transfer up to 75 community college credits toward this degree, with 45 credits to be completed at ASU. If lower-division general studies requirements are not complete prior to transferring, the courses can be taken at Central Arizona College or ASU. All degree requirements must be met prior to graduation from ASU.

**General university admission is guaranteed upon one of the following:**

1. Completion of an associate degree from a regionally accredited higher education institution with a minimum 2.00 cumulative GPA (Arizona residents) or 2.50 cumulative GPA (nonresidents).
2. Completion of 24 or more transferable semester credits post-high school with a minimum cumulative transfer GPA of 2.50 (4.00 = “A”) and verification of high school graduation or the equivalent.

**Note:** Some ASU colleges and schools have additional or higher requirements for admission into their majors. Students will also need to submit an ASU admission application, including an application fee and other required documents, such as official college/university transcripts.

MyPath2ASU™ pathway programs include a minimum of 24 credit hours. Students with fewer than 24 transfer credit hours will need to meet the appropriate admission requirements.
