*General university admission is guaranteed upon successful completion of one of the following conditions:
1. Completion of an associate degree from a regionally accredited higher education institution with a minimum 2.00 cumulative GPA (Arizona residents) or 2.50 cumulative GPA (nonresidents).
2. Completion of 24 or more transferable semester credits post-high school with a minimum cumulative transfer GPA of 2.50 (4.00 = “A”) and verification of high school graduation or the equivalent.

Note: Some ASU colleges and schools have additional or higher requirements for admission into their majors. Students will also need to submit an Arizona State University admission application, including an application fee and other required documents, such as official college or university transcripts. MyPath2ASU™ pathway programs include a minimum of 24 credit hours. Students with fewer than 24 credit transfer credit hours will need to meet the appropriate admission requirements.
